Require a Chef Manager – Term Time only Salary £20-30k dependent on experience.

Stormont School is a successful independent day school for girls aged 4-11 situated in Potters Bar, Hertfordshire. We are currently looking to recruit a Chef Manager to join us.

Working in a newly refurbished and well-equipped kitchen with a dedicated team, you will manage the daily provision of fresh, tasty and nutritious food for the pupils and staff at the School, to include a wide range of special events and fixtures. The service operates term-time only, with additional activities at the beginning and end of the term, to properly manage the facilities and supplies and in support of other events such as in service training.

Proven leadership skills within a catering setting are desirable, whilst a flare for cooking is essential, teamed with an interest in promoting healthy eating for all. A good understanding of relevant health and safety considerations is a must, to include good record keeping, and cost management will also be key. If you are the right ingredient to add to our very special dish, please do not hesitate to apply.

Details of this post are available on the school website www.stormontschool.org or by email at hr@stormontschool.org
