INTRODUCTION

Stormont School expects the highest standards of conduct from all staff (as defined in the ISSRs) and will treat seriously any concern that a member of staff or any other adult (for example a volunteer or a parent) may have about illegal or improper conduct. Staff will be expected, through agreed procedures and without fear of recrimination, to bring to the attention of the Head any serious impropriety or breach of procedure.

PURPOSE OF PROCEDURE

The School has adopted this policy and the accompanying procedure on whistleblowing to enable members of staff to raise concerns internally and in a confidential fashion about malpractice: i.e. improper conduct, health and safety breaches, criminal offences, miscarriages of justice, damage to the environment and failure to comply with legal obligations which have occurred or are likely to occur. It also covers the safeguarding of children. The policy also provides if necessary, for such concerns to be raised outside the organisation.

ELEMENTS OF THE POLICY

In accordance with Lord Nolan's Second Report of the Committee on Standards in Public Life, the School's policy on whistleblowing is intended to demonstrate that the School :-

- Will not tolerate malpractice;
- Respects the confidentiality of staff raising concerns and will provide procedures to maintain confidentiality so far as is consistent with progressing the issues effectively;
- Will provide the opportunity to raise concerns outside of the normal line management structure where this is appropriate;
- Will invoke the School's disciplinary policy and procedure in the case of false, malicious, vexatious or frivolous allegations;
- Will provide a clear and simple procedure for raising concerns, which is accessible to all members of staff.

WHEN SHOULD THIS PROCEDURE BE USED?

This procedure is separate from the School's adopted procedures regarding grievances. Staff should not ordinarily use the whistleblowing procedure to raise grievances about their personal employment situation.

This procedure is to enable members of staff to express a legitimate concern regarding malpractice or anticipated malpractice within the School.

Malpractice within the categories listed above is not easily defined; however, it includes allegations of improper conduct, fraud, financial irregularities, corruption, bribery, dishonesty, acting contrary to the staff code of ethics, criminal activities, or failing to comply with a legal obligation, allowing private interests to override the school's interests, a miscarriage of justice, or creating or ignoring a serious risk to health, safety or the environment.

CONFIDENTIALITY

Staff who wish to raise a concern under this procedure are entitled to have the matter treated confidentially and their name will not be disclosed to the alleged perpetrator of malpractice without their prior approval. It may be appropriate to preserve confidentiality that concerns are raised orally rather than in writing, although members of staff are

Stormont School - Whistleblowing Policy

encouraged to express their concern in writing wherever possible. If there is evidence of criminal activity then the Police will in all cases be informed.

THE INVESTIGATION

A member of staff will be at liberty to express their concern to the Head, Deputy Head or the Bursar. They will be supported, listened to and respected throughout. They will be offered help to access support externally as required.

Any concern raised will be investigated thoroughly and in a timely manner, and appropriate corrective action will be pursued. The member of staff making the allegation will be kept informed of progress and, whenever possible and subject to third party rights, will be informed of the resolution.

A member of staff who is not satisfied that their concern is being properly dealt with, or who feels unable to raise the concern with those identified above, will have a right to raise it, in confidence, with the Board of Governors.

EXTERNAL PROCEDURES

Where all internal procedures have been exhausted, a member of staff shall have a right of access to an external person/body. This may include (depending on the subject matter of the disclosure) IAPS, GSA, HMRC, the Audit Commission, the Health and Safety Executive and/or the Local Authority Designated Officer (where the disclosure relates to a child protection issue).

It should be noted that under the Public Interest Disclosure Act 1998, there are circumstances where a member of staff may be entitled to raise a concern directly with an external body where, broadly, the employee reasonably believes :-

- That exceptionally serious circumstances justify it;
- That the School would conceal or destroy the relevant evidence;
- Where they believe they would be victimised by the School;
- Where the Secretary of State has ordered it.

There are stringent and detailed conditions to be satisfied before a disclosure outside the School can be properly made and members of staff are advised that they should satisfy themselves about these and take great care before exercising this right.

MALICIOUS ACCUSATIONS

Malicious, vexatious, knowingly false or frivolous accusations will be dealt with under the School's Disciplinary Procedure.

PROTECTION FROM REPRISAL OR VICTIMISATION

No member of the staff will suffer a detriment or be disciplined for raising a genuine and legitimate concern, providing that they do so in good faith and following the whistleblowing procedures.

PURPOSE OF THE PROCEDURE ~ SAFEGUARDING CHILDREN (CHILD PROTECTION)

Where the concerns are about safeguarding children or young people, the school's Designated Safeguarding Lead for Child Protection should be notified. At Stormont, the

Concerns about any of the following should be reported to the school's Designated Safeguarding Lead for Child Protection (DSL): *see details above*

- physical abuse of a pupil
- sexual abuse of a pupil

- neglect of a pupil
- an intimate or improper relationship between an adult and a pupil

The reason for the concern may be the actions of a colleague (including a more senior colleague), a governor, another pupil or someone outside the School. Whatever the reason, concerns must be reported.
